## 7. General Business

1. John Hollander - Invited to talk by Tony Shiels

Defined his role/s at Centrals

" I wear 3 caps, Head of Centrals Club as like top shelf , but i prefer to not be and be like everyone else, Also President of the Seniors club & a Life Member" - Not the authoritarian although as part of Centrals infrastructure plan taking this over is being explored although there would be some impact of that change that need to be considered.

EG - AFL Cairns currently head the lease, Centrals taking this over would see Centrals responsible for the extensive damage by wallabies ect. Example provided that a South Cairns player lost their eye due to an infection caused by wallabies.

John holding on lease being finalised to ensure if/when Centrals take that over all

infrastructure is in good condition ect..

Centrals has Half a million dollars in the bank to spend as part of the infrastructure plan.

John Congratulated the committee for its professionalism and passion in the club. Doing a great job.

- Life member cap on

1.

- Under 12s issue was a real concern and he didn't like that it happened

- JH stated It was well handled by this club in the end in his opinion

- JH pleased to see there has been a process worked on in trying to have a solution to not let it happen again.

- JH For the record - i agreed with not splitting the team of kids given they have played together for a long time ect.

Brent Courtney, Andrew Hurst, Daymen Thomas & Carol Thomas all tried to respond on this subject - Tony Shiels asked they just let John talk

" John is our guest and is talking please just let him talk" on sperate attempts individually.

Andrew Hurst requested Tony OR Kelly whoever is the chairperson allows people the right of response

Sarah Courtney insisted on comment - Proposed to John Hollander that it feels as though the views of his and the Junior committee align and given we require a solution agreed upon with AFL Cairns Juniors to finalise would he support us on this ? - JH agreed with a nod.

2. JH at this moment raised that AFL Cairns want to take over the Junior competition, he advised we should not be allowing this to happen as "the history will be deleted". Andrew Hurst asked why ? .. JH they don't care about the history EG Cathern's ect. John & His wife as life member's have never been invited to one meeting

Andrew Hurst - Opposed the comment and asked whoever the Chair person of the meeting was to recognise what John was saying was incorrect and may he please respond - Tony Shiels asked he let John finish Andrew asked Who was the Chair person of the meeting.

JH Stood and announced he was leaving " Im leaving thanks MR presidente " .. TS asked John remain he said nope and left the room. " we have had trouble with HIM before and its only happening again" - JH left the room.
